

Paying for Your Care at Canton-Potsdam Hospital

Canton-Potsdam Hospital and its employed physicians are participating providers in most health plan networks. You can find a list of the plans in which we participate at www.stlawrencehealthsystem.org. Health Plans have numerous products, some of which Canton-Potsdam Hospital *may not* participate in. Please check with your health plan or provider to verify whether or not the provider participates in your health plan.

All physician services you receive at the hospital *are not always included* in the hospital's bill. Independent physicians bill separately for their services and may or may not participate in all of the same health plans as the hospital. Canton-Potsdam Hospital contracts with some physicians, such as our radiologist, pulmonologist and pathologists who provide services at the hospital. Contact information for the contracted physicians is listed below and at www.stlawrencehealthsystem.org.
