About the MH Auxiliary

The Auxiliary is an enthusiastic group of people who devote time and energy to support the workings of Massena Hospital through financial support, volunteer in-hospital deeds, and/or fundraising efforts within the community. Over the past several years, the Auxiliary has been recognized with the Healthcare Association of New York's Advocacy Award.

The mission of the MH Auxiliary is to provide service to Massena Hospital. The monies derived from various fundraising events are used for the betterment of the Hospital, its patients, and assists the Hospital in promoting the health and welfare of the community.

The main focus of the MH Auxiliary's fundraising efforts is to purchase medical equipment, provide funds for renovations, and/or redecorating the Hospital.

Scholarships are awarded to graduating Massena Central High School students planning to enter careers in the medical field.

Auxilians also support the MH Foundation fundraising efforts by volunteering with the Radiothon, and Golf Tournament, as well as donating money.

Auxilians attending our luncheons may be asked to donate non-perishable food item for a local food pantry, monetarily for another nonprofit organization or worthy cause, or personal care items for groups such as Massena Central High School students.

Activities and Services

Members can contribute to the Auxiliary by volunteering at (the):

- Gift Shop
- Patient Gifts
- Sewing
- Special Events

Other areas of volunteering include:

- Baking for Sales
- Publicity and/or Community Health Programs
- Sewing for Patient Projects
- Special Fundraisers

A member can volunteer as much time as her/his schedule permits in their area(s) of interest.

Join a group of people who volunteer and contribute time and service to Massena Hospital.

Our volunteers truly make a difference in our community, and we appreciate it.

Becoming a Member

Annual dues of \$10 entitles a person to membership status.

A **General Membership** meeting is held on the third Wednesday of October, and the Annual Meeting and Installation of Officers is held the third Wednesday of May. These meetings are a business/social affair and are open to all members. An entertaining/informational program typically follows the luncheon. Members are encouraged to attend these meetings. It is a wonderful opportunity to meet new people and renew friendships.

Board of Directors meetings are held on the second Wednesday of each month, except for July and August. The meetings are attended by the officers, directors, and committee chairpersons, and all members are invited.

If you are looking for a unique opportunity to serve others, and at the same time learn new skills and make new friends, consider volunteering at Massena Hospital. According to many of our Auxiliary members, the most significant benefit they receive from volunteering is a genuine sense of satisfaction from helping others.

Many of our volunteers enjoy the unique opportunities to serve others in a healthcare environment. The service the Auxiliary provides at Massena Hospital is important, and the friendships made are long-lasting.
